B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

In my present position within the OGER admin staff, I found the Log and Finance Degments very helpful. The least useful was the DDA mant: advisory Horoup. I found the whole program to be useful in becoming oriented with the DDA as I have contact with some approvements of the DDA as I have contact with some approvements of the DDA as I have contact with some approvements of the DDA as I have contact with

Management & Advisory Group (AD/MAG) was beneficial? Why?

I employed the discussion with the AD/MAG.

In this type of program I feel the inclusion of the AD/MAG.

In the AD/MAG is essential, after being exposed to the mAG if I ware in the DDA I would not heartate to go to them with a problem.

Thank you for the opportunity to attend this course, it really enjoyed it alyones
